

“Online Presentations in the Age of Covid-19 and Beyond”

Covid-19 has changed the way presentations are being done. More and more conferences are going online. This workshop will explore how conferences have changed and what we can do to succeed in the current situation by focusing on computer technology and presentations.

- 1.) David Toohey “The Differences Between In-Person and Online Conferences.”
- 2.) Takaya Yamazato: “Tips for online presentation.”

Open to all students, researchers and faculty.

December 11 (Friday) 16.30-17.30

Where: ZOOM: https://zoom.us/meeting/register/tJMkc-qhpjgoG9B5I7pfD_Cddn7OFq7IHaDX

Once you input your name and email address, you get a link to the Zoom meeting by email
